FINAL CHECK AND TROUBLESHOOTING

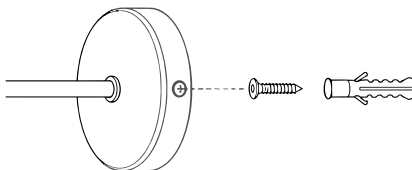

Remote does not respond

Point the remote directly at the lamp and remove any obstacles.

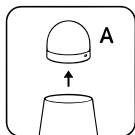

Wall fixture feels loose

Stop using it and retighten the mounting hardware.

If the problem persists, contact customer service for assistance.

12 CARE

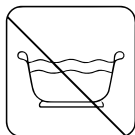

Disconnect A before cleaning.

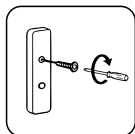

Wipe with a soft, dry cloth.

Do not use abrasive cleaners.

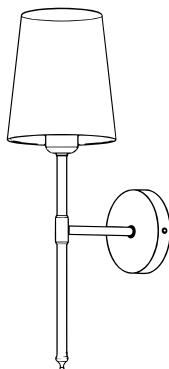

Do not immerse any part in water.

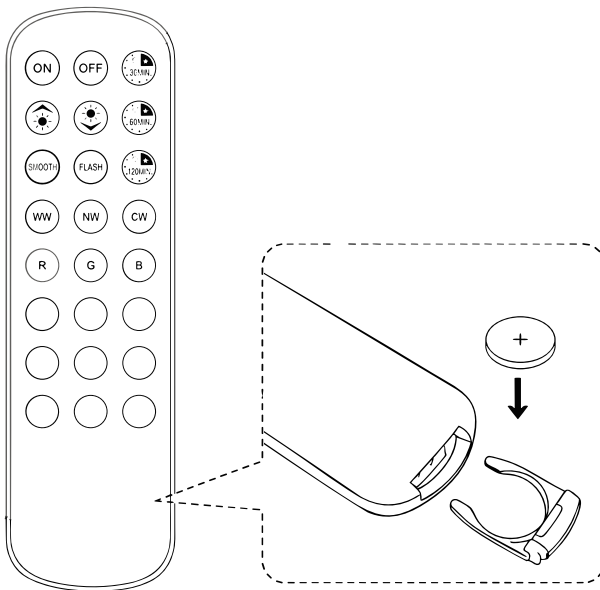

Check the wall mounting regularly.

Keep this manual for future reference.

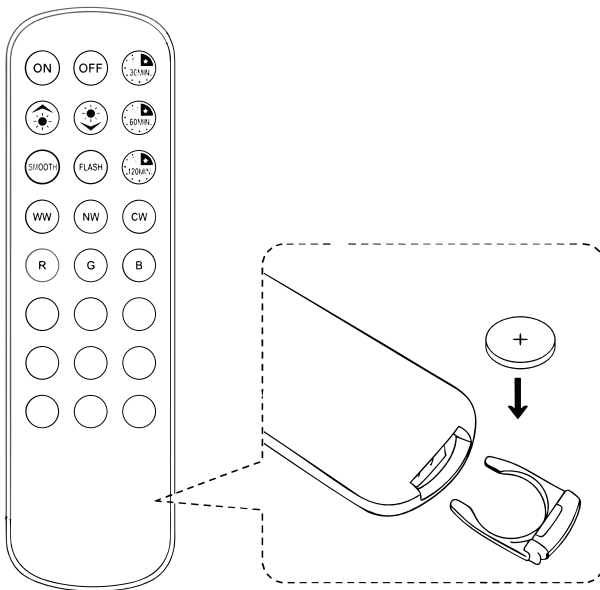

REMOTE BATTERY PRECAUTIONS

- Use only the coin cell battery type marked inside the remote control's battery compartment.
- Insert the battery with the correct polarity (+ / -).
- Keep the battery away from children and pets.
- If a coin cell battery is swallowed, it can cause serious injury or death. Seek medical attention immediately.
- Do not recharge, short-circuit, disassemble, crush, puncture, or expose the battery to heat or fire.
- Remove the battery if the remote will not be used for a long period of time.
- Dispose of used batteries according to local regulations.
- If the remote does not respond, check that the battery is correctly installed and the contacts are clean.
